

Bachelors Anonymous

Significant Other Records announces the release of the premiere recording of L.A.'s most infamous and underrated band, **Bachelors Anonymous**. Bachelors Anonymous debuts on vinyl with its definitive *fin de siecle* versions of "God Rest You Merry Gentlemen" and "Mr. Wenceslas." In the pop classic tradition of "Silent Night" by Simon & Garfunkel, "Happy Xmas (War Is Over)" by John Lennon and Yoko Ono, and "Do They Know It's Christmas?" by Band-Aid, Bachelors Anonymous offers timely commentary on the late '80s holiday season.
